About Us

At **Sentinels Security Services**, we believe that there is no substitute for a properly trained security guard. When you choose **Sentinels Security Services** to be your security company, you can expect guards who are among the most highly trained in the industry. Some companies allow their guards to take shortcuts to avoid required training, but here at **Sentinels Security Services**, we emphasize our security personnel to even more training than their license requires to make sure that they can deliver the kind of quality security services that our clients generally expect.

We deliver effective solutions for a wide variety of routine and corporate security services inside UAE. **Sentinels Security Services** offers highly effective unarmed security guards, innovative surveillance and access control systems, and expert security consultants. We have immensely trained multi-national team from Nepal, India, Pakistan, Sri Lanka, Philippines, Egypt, Cameron, Uganda, Ethiopia and others.
